

TEXAS ASSOCIATION OF LEGAL PROFESSIONALS
GUIDELINES FOR PLANNING THE FALL EDUCATIONAL CONFERENCE

I. GENERAL INSTRUCTIONS TO CONFERENCE CHAIRMAN

- A. Begin today. Be sure to coordinate all plans with Texas ALP President and Liaison Officer. **Read the applicable Standing Rules (effective May 1, 2008, Standing Rules 43 and 45; effective May 1, 2009, Standing Rules 41 and 43).**
- B. Pick your committee members early. Choose those with whom you can work with confidence. It is far better to have one or two persons helping than to have ten persons who do not work.
- C. Do not try to do everything yourself. Work with your committee members.
- D. Set a timetable. Hold committee meetings to allow your committee members to report on their progress.
- E. Prepare written instructions along with your timetable so that every committee member knows her/his specific duty and has an understanding of the total effort.
- F. If in doubt as what to do about anything, contact Texas ALP President or your Liaison Officer.
- G. A proposed budget (sample attached) will be prepared and chairmen should make every effort to comply with the budget. The proposed budget gives an idea of the additional funds by donation or otherwise that will be needed to supplement the registration and event fees. Try to get as much donated as possible.

DO NOT MAKE ANY COMMITMENTS FOR EXPENDITURE OF FUNDS OR SERVICES TO BE RENDERED BY OUR ASSOCIATION WITHOUT PRIOR APPROVAL OF THE TEXAS ALP PRESIDENT. THE TEXAS ALP PRESIDENT AND LIAISON OFFICER WILL ASSIST YOU IN FINALIZING YOUR CONTRACT WITH THE HOTEL. THE FINAL CONTRACT SHOULD BE SUBMITTED TO THE TEXAS ALP PRESIDENT FOR SIGNATURE.

- H. Paid receipts for all expenditures are necessary if reimbursement is expected.
- I. Prepare and submit to the Texas ALP President estimates of your expenditures, income, progress reports, and outline of overall plans of your committees by the dates established by the Texas ALP President. **See your committee calendar for specific deadlines.**
- J. Include in your first report the names of your committee members and report any changes in committee members as they occur.

- K. Keep an accurate file on the work of your committee. The files of all conference committee chairmen must be turned over to the conference chairman at the close of the conference. Keep copies of all correspondence and forward all monies received to the host chapter conference finance chairman in a timely manner.
- L. Seminar topics and handout expenses are the responsibility of the Texas ALP Education Committee. (Effective May 1, 2008, see Standing Rule 17.F; effective May 1, 2009, see Standing Rule 15.F.) However, the host chapter is encouraged to attempt to get copying of all handouts donated locally if hard copies will be provided at the conference rather than CDs; check with the Education Committee.

II. PLANNING THE CONFERENCE

TEXAS ALP PRESIDENT MUST APPROVE ALL PLANS. DO NOT ASSUME THAT THE PREVIOUS YEAR'S AGENDA AND CONFERENCE PLANS WILL BE APPROPRIATE FOR THIS CONFERENCE.

A. Appointing Committee Chairmen

The conference chairman appoints the individual chairmen for each phase of the conference. The chapter must choose a system that works best for it. It is not unusual for smaller chapters to combine the duties of several chairmen.

The following is a list of suggested chairmen for conferences, and the duties for each will be specifically set forth in an addendum to these guidelines:

- Conference Chair
- Host Chapter Conference Finance Chairman/Vice Chairman
- Registration
- Exhibitors/Coffee Breaks
- Seminars (serves on Texas ALP Education Committee)
- Business Meeting
- Audio/Visual
- Artwork, Event Tickets, Signs (Optional)
- Welcome Reception or Luncheon
- Professional Development Luncheon or Dinner

B. Executive Committee - An executive committee is necessary to expedite making decisions relative to the conference.

1. Suggested members of this committee are:

- Conference Chairman (serves as Chairman of Executive Committee)
- Host Chapter Conference Finance Chairman/Vice Chairman
- Business Meeting Chairman
- Registration Chairman

Seminar Chairman (serves on Texas ALP Education Committee)
Local Chapter President

2. All plans concerning conference should be approved by the executive committee with final approval to be obtained from Texas ALP President.

C. Hotel Contract

Within thirty (30) days after winning the bid, the proposed hotel contract should be submitted to the Texas ALP President, through the Liaison Officer, for Texas ALP Executive Committee review and approval. **NOTE:** The Texas ALP President is the authorized signatory to the hotel contract on behalf of Texas ALP.

D. Budget, Registration Form and Schedule of Events

Within sixty (60) days after winning the bid, the conference chairman must prepare a proposed budget, registration form, and schedule of events to be submitted to the Texas ALP Executive Committee for approval.

1. Budget should reflect proposed income and expenses.

- a. Income

- i. Exhibitor fees
- ii. Donations and contributions
- iii. Registration fees
- iv. Meal functions

- b. Expenses

- i. Printing event tickets, event programs
- ii. Decorations
- iii. Meal functions
- iv. Coffee breaks

- vii. Miscellaneous (postage, etc.)
- viii. Meeting room expense (if not comped by hotel)

2. Registration Form and Schedule of Events

- a. Within sixty (60) days after winning the bid, registration form **in accordance with approved template** and schedule of events must be submitted to the Texas ALP President through the Liaison Officer. **NOTE:** The amount of the registration fee is generally calculated by adding \$75 to the total cost of the meal functions. For example, if the Fall Educational Conference includes only one meal function with a member's cost of \$25, then the registration fee would be \$100. If you have any questions or concerns regarding the registration fee, check with your Liaison Officer.
- b. Registration form and schedule of events must be published in *The Texas Docket* issue prior to the conference and distributed at the conference immediately prior to the event. Registration form and schedule of events must also be furnished to the webmaster for publication on the Texas ALP Web site immediately following the preceding Annual Educational Conference.
 - i. State date after which refunds will not be made.
 - ii. List registration fees for members, nonmembers, and students and individual event fees. (Effective May 1, 2008, see Standing Rule 40; effective May 1, 2009, see Standing Rule 38). The registration form should also include a late fee (\$25 is standard) for registrations received after the deadline of three (3) weeks prior to the conference.
- c. All promotional materials accompanying the registration form and schedule of events should be submitted in advance to go out with the Call to the Conference.

E. Welcome Reception or Luncheon, if any

1. **NOTE:** This function should **not** be scheduled for the conference unless a sponsor (or sponsors) is found to provide the funds for it. Special recognition of the sponsor or sponsors should be provided at the event.
2. It has been the custom of Legal Directories Publishing Company, Inc. to sponsor the welcome reception or luncheon. The chairman of this committee should contact Legal Directories to see if they will sponsor this function. The contact person is Melanie Rankin (mrankin@legaldirectories.com or (214) 321-3238). Contact with Legal Directories should be made **as early in the planning process as possible** as funds may not be available if they have not been budgeted by Legal Directories. If Legal Directories agrees to sponsor the function and the donation is received, this chairman will contact the hotel

directly to plan this event, including selecting the menu and arranging for a cash bar if held on Friday evening. All monetary donations received from Legal Directories should be expended for the function. If a representative of Legal Directories will attend the conference, advise Texas ALP President.

3. If Legal Directories Publishing Company, Inc. does not sponsor this function, another sponsor or sponsors may be solicited as deemed appropriate by the conference committee.

F. Professional Development Function – Friday Luncheon or Dinner or Saturday Luncheon

This function is coordinated with the Texas ALP Professional Development Subcommittee.

G. Cram Course (if any, check with Texas ALP President)

This function is coordinated with the Texas ALP Certification Chairman.

H. Business Meeting

1. Room should accommodate approximately eighty (80) persons, classroom seating.
2. Need a head table on riser for five (5) persons with podium and microphone.
3. Work with Texas ALP President on opening ceremonies such as color guard and any dignitaries scheduled to participate in the program.
4. A designated area should be reserved for director/director pro tem seating and all placards set out for both directors/directors pro tem and officers.
5. At least one (1) floor microphone should be available in the general assembly area. **NOTE:** Need an audio mixer for use with two (2) or more microphones.
6. United States flag and Texas flag should be placed on riser behind officers. The large Texas ALP banner should be hung behind the officers' riser and the small Texas ALP banner should be hung on the podium.
7. A table for credentials check-in should be available at the back of the room.
8. A table for the Texas ALP finance items should be available at the back of the room. (Confirm the number of tables needed with the Finance Chair.)

I. Miscellaneous

1. Door prizes are not required, but if presented may be given at close of business meeting or at other events.
2. Ribbons will be provided by the Texas ALP Parliamentarian.

J. Meal Function Tickets

1. Meal function tickets are turned in at the door of each function to verify number of meals for payment.
2. Meal function prices are approved by the Texas ALP Board of Directors when registration form is submitted.

K. Exhibitors

1. Exhibitors may include those related to our profession, (i.e., court reporters, copy and records services, legal software vendors, suppliers of forms to the legal profession, etc.) and other types of vendors (i.e., jewelry, clothes, etc.). It is suggested that all business vendors be scheduled for one day, and all “fun” vendors be scheduled for the other day (try to vary the types of vendors to avoid competition, e.g., only one cosmetic vendor, jewelry vendor, etc.).
2. The exhibitors shall be required to sign an exhibitor’s agreement (sample attached) and shall be required to pay fees in advance. The exhibitor’s agreement shall include a fee per day only (no two-day fee).

L. Coffee Breaks

1. It is customary to solicit donations from each local chapter and from law firms, court reporters, and other vendors, to fund coffee breaks. However, consideration should be given to the timing of the solicitation letter so that donations for upcoming conferences are not adversely affected.
2. Coffee breaks are usually scheduled for Friday afternoon and Saturday morning and afternoon. However, if the cost is prohibitive and/or donations are low, it is acceptable to have one break per day, if any, or a beverage-only break.
3. In determining the cost of the coffee breaks, you should work with the hotel to determine consumption versus per person price for the breaks.

- M. Speaker gifts are not sanctioned by Texas ALP and, consequently, are not considered a conference expense. If hosting chapter chooses to give speaker gifts, this expense will be borne solely by hosting chapter.

N. Executive Committee Assistance (preferably 24-hour availability)

1. Computer/Printer
2. Copier
3. Fax

III. FINAL PLANNING

- A. One (1) month before the actual conference date, arrange date and time for the conference chairman, vice chairman, business meeting chairman, seminar chairman, and exhibitor chairman to meet together with the hotel's meeting coordinator and banquet manager.

By such meeting date you will have received the majority of pre-registrations and have an idea of the number attending the conference.

Each chairman should bring drawings of the room layout and seating for each function for which each is responsible. This includes drawing of head table with seating indicated, the place for the podium and microphone, seating arrangements in the audience, the position of the Texas and U.S. flags, location of piano (if one needed), aisle microphones needed, and any other special requirements for each function.

At this meeting it is important to have all hotel personnel agree that the rooms for the luncheons and seminars be set up at least one (1) hour before scheduled times. Business meeting room should be set up one (1) hour before time since credentials registration begins thirty (30) minutes before the meeting.

At this meeting confirm the final menus for any meals and/or reception and make all final arrangements for all events and functions.

- B. Two (2) weeks before conference, have the conference chairman, Texas ALP President, and Liaison Officer coordinate with the hotel staff and make any last minute changes needed. It is imperative that this conference be held and that everyone have a clear understanding of what is expected of everyone else.

THESE ARE THE MOST IMPORTANT MEETINGS YOU WILL HAVE WITH THE HOTEL AS FINAL ARRANGEMENTS ARE MADE FOR A SUCCESSFUL CONFERENCE.

- C. At the conclusion of the conference, be sure to bring your copy of the hotel contract when meeting with the hotel to pay the final bill for the conference. If possible, the Texas ALP President and Texas ALP Treasurer should also attend this meeting. The Texas ALP Treasurer should reimburse the host chapter for officer registrations prior to the close of the conference.
